Elections and Appointments

Jill Hawkins will run for member-at-large.

Carolyn Wetzel will run for president.

We still need a vice president. Under bylaws, the vice president doesn't need to be elected, but may be appointed by the president. We currently have programs arranged and the room reserved at the library for the next several months.

One thing to consider is Oct. - takes coordination to arrange field trip ahead of time. Even though we have the room reserved, we still often need to absent ourselves. Anyone with ideas for interesting fiber-related activities may submit them. The earlier arrangements can be made, the better (not last-minute!).

Likewise, any ideas for program activities are welcome.

March - Christmas Tree ornaments

April - Sharon - Flanders Lace

May - Retreat
